***A message from LuAnn Miller, Executive Director***

I'm so pleased to send our annual report to the community. This past fiscal year provided much to celebrate. We paid off the mortgage on the *Children's Center* building, opened a new location for our *Family Resource Center* in the heart of Isla Vista, and scaled the *THRIVE Isla Vista* model to three other school-based communities in the Goleta Union School District.

After 33 years, I will retire from the Isla Vista Youth Projects in early 2018. With a mixture of excitement, sadness and anticipation, I thank you from the bottom of my heart for supporting me as Executive Director to lead this amazing agency over the years.

I hope you will join me in making a gift this season to continue the good work of the Isla Vista Youth Projects. Already there are plans to expand the number of infant spaces, improve infrastructure and welcome new leadership to guide the agency to the next level of greatness. Your continued support is critical in our mission to *"strengthen our community, one family at a time"*. Please see the back of this card to see how you can help!
